

Request a new grit bin

Suffolk Highways, on behalf of Suffolk County Council, will only accept requests for new grit bins from a parish, town, borough or district council (the 'Applicant').

A grit bin costs between £150 and £450 depending on the type. It must be funded by a county councillor, town or parish council.

Salt will be supplied and replenished by us for **free**.

If you wish to maintain a stock of grit at the location of a redundant grit heap in your parish/town please apply for a new grit bin at that location. To do so please follow this [guidance](#) (PDF, 171KB).

If you require a new replacement bin, please also refer to the [guidance](#) (PDF, 171KB). The team responsible for this service is ready to receive completed applications for processing. This year, the closing date for applications has been relaxed to ensure you have sufficient time.
