

Coddenham Parish Council – Highways Working Group.

Wednesday 7th February 2024

7pm at Coddenham Community Centre.

Two PC councillors present, three other Coddenham residents and one Rectory Road Hemingstone resident.

1. Need for feedback from High Street residents on a possible future one way system.
2. Perceived need for a 40 mph on Rectory Road due its narrowness.
3. The group are keen to see an enforcement of the TRO (Traffic Regulation Order) for West bound vehicles over 7.5 tons.
4. Concern expressed about the lack of enforcement of the 20 mph speed limit.
5. The group welcomed the proposed improvements for the B1078/ Rectory Road junction by SCC. Next stage is to price up these works. In addition, to request the signs are double sided to warn vehicles travelling East on B 1078.
6. The Hemingstone resident advised that a group has been established to push for a 40mph speed limit on the B1078 through Hemingstone. The group agreed to explore if that could be a joint Hemingstone and Coddenham initiative along the B1078.
7. To get clarity on the 7.5 ton limit sign by the shop approach from the Bridge direction.
8. The group will look into establishing an off street parking solution for High Street residents.
9. JW and RD to draft a briefing note for HPC to keep them in the picture.
